

Authorization Form

_____parent/exerciser of parental responsibility for _____

authorizes the school to allow the student to leave school independently only in the following cases¹:

- at the end of lessons;
- at the end of the extracurricular educational activities of the year (previously communicated to families);
- in case of early or late dismissal, previously communicated to the family from the school.

The undersigned _____ also states:

to be aware that the authorization can be revocable at any time;

to be aware that the delegation form must be yearly issued;

to be aware of the school schedule;

to be aware of the School Institution and to share and accept the criteria established regarding the minors supervision;

to be aware that the school will monitor the students up to the exit door of the building;

to have previously evaluated the location of the school and its potential dangers;

to be aware of the student's behaviour and autonomy for a safely return;

to monitor the student's return;

to inform the school in case of changes in the safety conditions;

upon request of the school institution, in the event of impediments, regulations or safety reasons, will personally collect the student;

to be aware that the authorization is not valid for any possible early dismissal requested by the family. (delegation form required).

☐ the undersigned declares the parental responsibility for the minor and undertakes to communicate any changes to this status².
